

SPAY AND NEUTER PROGRAM FEE EXEMPTION FORM

If one of the following statements is true, the manufacturer or distributor qualifies for an exemption from the Spay and Neuter Program Fee. If there are any changes that results in the Manufacturer or distributor no longer meeting the exemption requirements, the Manufacturer or distributor must immediately forward the fee(s) to the New Mexico Department of Agriculture; Feed, Seed and Fertilizer Section. Attestation must be provided annually for a new registration year, or when a new prescription diet pet food is submitted for registration.

If qualified please check the applicable exemption(s), sign and notarize below.

Pet food manufacturer tax-year annual gross revenue from the distribution of pet food is no more than three million dollars (\$3,000,000.00).

The pet food is a prescription diet prescribed by a veterinarian. (Attach the individual prescription diet pet food labels and the additional form for exemption of prescription diet pet food product(s), if applicable).
